

OGDEN MOBILE ECO-CENTRE

DATE : To be confirmed

LOCATION : On chemin Ogden in front of the Ogden Town Hall at 70 chemin Ogden

The Mobile Eco-Centre is dedicated to material recovery. A truck from the **Ressourcerie des Frontières** will be on site to collect items and materials that are recyclable or intended for resale. Containers will also be available for the recovery of wood, metal, and waste that cannot be recovered.

On site, you must place your materials in the containers provided. Volunteers will direct you to the appropriate location.

VOLUNTEERS NEEDED: For the program to be a success and to be repeated in the future, we need volunteers. Please write to info@munogden.ca or call 819-876-7117 to sign up for our volunteer list for this day. Thank you!

Please observe the following guidelines when bringing your residual materials:

- Bring proof of residency in Ogden (driver's licence or municipal tax bill);
- Sort your materials in advance in your vehicle or trailer. This will make the volunteers' task easier and allow for faster unloading;
- **Materials not accepted:** waste and recycling that are part of the weekly collection, contaminated soil, asbestos, medications and hazardous waste such as aerosols, batteries (including vehicle batteries), all types of cleaners, paint containers, varnish, solvents, pressurized containers, fire extinguishers, fertilizer, herbicide, insecticide, pesticide, poison, chemical products, pool products, used oil, grease and filters, fluorescent tubes, gas containers, propane and gasoline;
- Reasonable quantities are accepted. The mobile eco-centre is not intended for contractors or residents wishing to dispose of debris from new construction or renovation projects. These must be disposed of privately.

PLEASE NOTE :

- 1 You may dispose of hazardous materials at any time at the **Régie intermunicipale de gestion des déchets solides de la région de Coaticook**.
- 2 Fluorescent tubes (neon lights) can be dropped off at the BMR in Stanstead.
- 3 Motor oil and empty oil containers, oil filters, antifreeze, and aerosol cans are accepted at LP Garage (Harnois) in Stanstead.
- 4 Batteries for small devices can be dropped off at Informatique ASR, 9 rue Passenger in Stanstead.
- 5 Paint containers can be dropped off at the Canadian Tire in Magog (take the road toward Walmart and turn right to reach the rear of the Canadian Tire store, at the merchandise receiving area. There is a blue container where people can drop off their paint cans.)
